Ms. Boykin further advised that Defendants have discovered additional video evidence that has not been produced to Plaintiff. Ms. Boykin stated that her office was in the process of having a copy of this footage sent to Plaintiff and requested that the settlement conference be continued so that Plaintiff could be given an opportunity to review the additional evidence before engaging in settlement negotiations. Under these circumstances, the

undersigned advised Ms. Boykin that the settlement conference would be continued for approximately 30 days.

Sometime later, Plaintiff connected to the conference line, and the undersigned advised him of these developments.
